For all enquiries, please contact the Pre School on 5744 3016.  
Enrolments close Friday 1st September 2017.

### GREETINGS GREETINGS GREETINGS

This week at our P-4 Campus we have had lots of students saying hello to everyone. As part of our Positive Education Philosophy we have worked on encouraging our students to say hello or respond to someone when they say hello. Our staff have been briefed on ensuring they always make the effort to acknowledge every student in our school when they walk past them and to then encourage our students to acknowledge teachers and other students who say hello. Schools are busy places but we always have the time to say "Hello, how are you?" We have also spoken to our students about making sure that when they go to the office to see Sharon or Wendy they should try to greet them both with a "Good Morning" or "Hello how are you?"

Our students have really embraced this and within a week the amount of high fives and greetings has really improved. We are all looking forward to embedding the Positive Education Philosophy in our College and we will keep you informed of the things we are working on.

**Always**  
wear a smile, because your smile is a reason for many others to smile :)

**50 Star Party**  
Today we held our 50 STAR party. All students who recieved 50 stars last semeseter were sent an invitation to attend our party. We danced, ate and celebrated our achievements!

### ATTENTION CURRENT YEAR 4 PARENTS TRANSITION INFORMATION

**MONDAY 14 AUGUST @ 2.45PM (P - 4 CAMPUS ROOM 16) 2018 BORAMBOLA CAMP INFORMATION SESSION FOR YEAR 4 STUDENTS AND PARENTS**

Mr Bassett, Ms Collins & Year 5 Leaders will be available for 15 mins after this session to meet with any parents who might want extra information about the camp and cannot attend @ 2.45. We look forward to seeing as many parents as possible.

**WEDNESDAY 30 AUGUST @ 12.30 - 3.00PM (5 - 8 CAMPUS) WEDNESDAY 13 SEPTEMBER @ 12.15 - 3.00PM (5 - 8 CAMPUS) TRANSITION AFTERNOON FOR YEAR 4 STUDENTS**

This is a great opportunity for students to develop relationships with staff and students and to feel comfortable at their new campus. Students will be transported to and from the P - 4 Campus.

## PARENT AND FRIENDS YOU ARE WANTED!!

Parents and Friends of Yarrowonga College P-12

You are invited to a social catch up and meeting at Naked Tree

**WEDNESDAY 16<sup>TH</sup> AUGUST AT 630PM**

Come and have a drink and/or nibble  
We would love to see some new faces

We are working on encouraging our parent community to feel welcome within our Campus and we want you to be a big part of your children's learning. We are inviting our parent community to a social catch up at the Naked Tree in Yarrowonga. This works well with our Positive Education Philosophy by encouraging everyone to be involved and to feel welcome. Please come along and meet some new faces. A strong parents and friends group can achieve so much within a school.

## Collection of children from school

It has been concerning the amount of students who are not collected from school by 3.30. If you know you are going to be late could you please ensure that you make contact with Sharon in our office. It is expected that children are collected from school no later than 3.30. Our playground area is not supervised after this time. Could we also ask all parents to make sure that we have their contact information up to date especially phone numbers as at times we have been unable to reach parents.

## EARN AND LEARN.

A friendly reminder to collect your Earn and Learn Stickers at Woolworths. Every sticker helps us receive educational items for our students in 2018.

The collection boxes at Woolworths are situated at the end of the checkouts - furthest away from the entrance. You can also hand them in at our College. \*\*If you have friends or relatives living outside of Yarrowonga - please ask them to collect and send them up\*\*.

## This week we introduce Mr Mitchell's

area of shapes. Year 2A were put into groups and had to work together to estimate and guess the area of a beach towel. This math task provided the students with real life and hands-on learning experiences, demonstrating what measuring the area of shapes is. The students thoroughly enjoyed this learning task, which also reflected the engaging and creative learning that our students participate in at our College.
