Social Media

Just a reminder to parents to be vigilant when their children are using social media. We are aware that many of our students are using social media apps such as musicly, Instagram, snapchat and Facebook. Many of these apps have age restrictions and at times can put young children in difficult situations. It is important that parents are aware of what their children are doing online and that you monitor who and when they are talking to others online. We are currently in the process of organising trained experts to come and chat to our Years 3-8 students on the safe use of social media.

MOVIE NIGHT AUGUST 2ND

WE WOULD LIKE TO INVITE AS MANY OF OUR PARENTS TO A GREAT NIGHT AT THE MOVIES. IT IS SO IMPORTANT FOR SCHOOLS TO WORK CLOSELY WITH THEIR PARENT COMMUNITY AND HAVE POSITIVE RELATIONSHIPS. Parent Opinion Survey 2017

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents at each school.

It is designed to assist our school in gaining an understanding of parents' perception of school climate, student engagement and relationships with our parent community. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The survey will be conducted **online by ORIMA Research Pty Ltd** and only takes **15 minutes** to complete. The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time within the fieldwork period from **Monday 7th August to Sunday 27th August**.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous.

If your family is randomly selected to complete the Parent Opinion Survey, you will receive notification in the mail.

For further information, please speak to you child's teacher or visit:

This week we introduce our fantastic prep classes. Last Tuesday 18th July all Prep students travelled to the Shepparton Performing Arts Centre to watch the play A Diary of A Wombat. The original story was written by Jackie French and is a favourite amongst students of all ages. The play featured a mixture of puppetry and actors. All our students enjoyed the play and have been producing some fantastic work back at school based on their experience. A highlight for the Prep teachers was when some teachers from another school came over to congratulate our students on their outstanding behaviour throughout the performance. Great feedback and we should feel very proud, especially since we also travelled at least an hour on the bus before the show. After lunch the students were fortunate to have a play at the All Abilities Playground near Victoria Lake in Shepparton. A Great Day Out.

Woolworths Earn & Learn 2017

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September or while stock lasts, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths. At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library.
