We would like to thank you everyone that attended and supported our 2015 Kokoda Track Leadership Group last Friday night. We had a full room boasting over 200 people, from all parts of the community. All there for one cause and that was to raise funds for our students and their upcoming life changing adventure (that is walking the Kokoda Track.).

A finally tally of funds is still being counted – so watch this space for the announcement.

Our trekkers depart on 22 September and at present are undertaking a scheduled training regime to ensure that are in the best possible condition when embarking on their nine day hike.

**KOKODA TRIVIA NIGHT SUCCESS**

Year 10 and 11 exams

Year 10 and 11 students have recently undertaken examinations as part of their final assessments for Semester one. Pathways sessions leading up to exams were focused on explicitly teaching revision and study strategies as well as how to approach the actual exam. This is a great opportunity for students to practice assessment of this type in preparation for Year 12.

All students will be provided with feedback regarding preparation for exams and exam results, and from this targeted programs put in place to further assist students in achieving their best in the future.

**SCHOOL WILL FINISH AT 2.30PM ON FRIDAY. THIS WILL BE END OF TERM 2.**

**SCHOOL WILL RECOMMENCE ON MONDAY 13 JULY.**

**HAPPY HOLIDAYS.**
X country success at both Ovens and Mitta and Hume Level.

A strong team of runners represented the college at the Ovens and Mitta Cross country at Beechworth. The students behaviour and attitude were exemplary and they all had that precious quality of being able to compete. It was great to see two of our school leaders Michael Tabain and Darcy Cowell participating in their year 12 year. Darcy who won her age group along with Michale who was runnerup as was Marcus Evans are pictured with their medallions. As a result of this event 22 runners qualified for the Hume Cross Country at Broadford. HUME CROSS COUNTRY

They were:

Max Hemphill, Darcee Cowell, Jasper Danielson, Kane Stewart, Kyle Abikair, Tanner Nyholm, Hayden Cartwright, Henry Lonergan, Marcus Evans, Brock McCabe, Wade Dennis, Ricky Walker, Cooper Jones, Ronan Pritchard, Harmen Naden, Michael Tabain, Tom Beatie, Caitlin Vella, Chelsea Kirchen, Hayley Bigger, Amy Nunn

Hannah Keel

Unfortunately a few of these runners were unable to participate either because of injury or other school commitments.

Special thanks must go to Leanne Keel who supervised this great bunch of kids. It was interesting that Leanne made particular reference at what a great leadership role Darcy and Michael took on

Again everyone competed strongly and were willing to compete regardless of the final result. In what is a fantastic effort Marcus and Michael both qualified for the state cross country which will be held on Thursday the 16th of July.

Well done to all competitors
Year 10 Work Experience

15th-19th July was the first block for the Year 10 Work Experience. Students worked in a range of different industries to get an understanding of the real world. Thank you to all the businesses that have supported the program and provided wonderful opportunities for the students of Yarrawonga College P-12.

Positions are very limited for this session so reservations are essential.

Please email cptalbury@dfr.com.au to book your seat or call 026051 4999.

We hope to see you there!

*Please note: this invitation does not serve as an indication that you will receive a Letter of Offer, or a position at ADFA, and acts purely as an information session for you to gain further insight into ADFA.
Deakin welcomes Year 10, 11 and 12 students and their parents to get a taste of university life.

Attend study area workshops, explore our campus and find out information on general topics like fees and services.

This year, students will have a unique opportunity to hear from Australia’s leading innovation consultancy firm, Invetum. They will present the latest scientific findings in relation to what drives inventive and intelligent thinking and show students how to generate breakthrough ideas that can be applied to their studies and future career goals. This would be particularly useful for Year 11 students to take full advantage of these findings throughout their coming year.

Places are limited.

Uniform

At Yarrawonga College we set high expectations for all students. One of the areas where we set these high expectations is in school uniform. Please ensure that your child is in full school uniform at all times. In circumstances where this is not possible, please provide a note explaining when they will be back in full school uniform.

Girls Winter Uniform:
Jade and navy jacket with College logo
Jade and navy windcheater with College logo
Jade and navy polo shirt with College logo
Jade, navy and white tartan skirt with fitted white shirt
Navy pants – tailored or track pant option (no stripes or Jeanie pants)
Black shoes or plain runners

Boys Winter Uniform:
Jade and navy jacket with College logo
Jade and navy windcheater with College logo
Jade and navy polo shirt with College logo
Navy shorts (no markings)
Navy pants – tailored or track pant option (no stripes or Jeanie pants)
Black shoes or plain runners

With the colder weather starting to approach we urge all families to ensure that your child has the College windcheater/woollen jumper and appropriate pants and or (winter skirt).

All College uniform pieces are available from Judds Mensland. You may be able to purchase navy pants from other local suppliers.

Homework Club

The 9-12 Library has been allocated as a Homework club/area for students every lunchtime and teacher supervision is provided to allow students to catch up on work, or simply complete their homework whilst at school. If your child is having difficulty completing all set tasks due to external commitments, then we really encourage them to come along and complete their work at lunchtime.

Maths Competition/Assessment – UNSW Global.
Open for years 5 – 12.

Anyone wanting to participate in this competition or would like more information, please see Ms Henwood in the Maths Office (9-12 campus) or phone 5744 1751.

Closing date is 14th July 2015.
