

FRIDAY FLYER

TODAY: 26/06/2015 - Another Great Term

WHATS ON?

13th July First Day Term 3

Campus Captains

A HUGE

congratulations to our newly appointed School Captains Miss Olivia Browning and Mr Lochie Forge

Well done also to our newly appointed Vice Captains Miss Cara Carpenter Thompson and Mr Logan Stephens. We are sure you will all do a fantastic job.

We also take this opportunity to thank our Term 2 Captains! Tate Williamson and Emily Bogdan. You have both done an outstanding job this term running our whole school assemblies and constantly displaying positive behaviours in our school. Well done on super leadership!

Thank you to all students, parents, staff and community helpers for your ongoing support of the Prep to Year 4 Campus and the opportunities we offer students. Many of the programs on the campus cannot operate without high levels of parent and community support. We thank all members of our community for your support and wish everyone a safe and relaxing holiday.

Staffing News

Congratulations and welcome to Vanessa McKenzie who will be replacing Ms Claire Smith for the rest of 2015 while she is travelling around Europe. We wish her well on her travels. Ms McKenzie comes to us with a broad range of teaching experience and we are looking forward to working with her. In term 4 Ms McKenzie will teach this class for 3 days alongside Ms Laws who will be returning from Maternity Leave for 2 days per week.

Reports

Parents may not be aware that before teachers allocate a progression point to show a student's achievement level, they spend a great deal of time evaluating student work as evidence of their score, this includes tests, student work samples and teacher observations. Teachers also moderate with other staff members to ensure they are consistent with their assessments.

Student reports were sent home earlier this week and will arrive in letter boxes today or early next week.

If you have any questions or concerns please call or visit the school to make an appointment to chat with your child's classroom teacher.

2016 Prep Enrolments

It's fantastic to see places filling fast for 2016 prep enrolments. For planning purposes if you have a child or you know of someone who is thinking of enrolling at Yarrowonga College P-12 in 2016, please contact the office for an enrolment pack.

Maths Problem of the Week

Sums!

15 can be written as an addition sum of consecutive numbers in three ways. (Consecutive numbers are numbers that follow each other in normal counting eg 1, 2, 3)

$$*15 = 1+2+3+4+5$$

$$*15 = 4+5+6$$

$$*15 = 7+8$$

For which numbers up to 20 can be written as sums of consecutive numbers? Which number can be written the most ways?

$$3 + 3 = 6$$

Docker Street General Medical Centre
53 Docker Street

Thank you to Denis Medica Clinic for their generous support to Yarrowonga College P – 12 with a cheque of \$3000 for leadership programs presented to our School Captains. Denis Medical Clinic are wonderful supporters of our College and we cannot thank them enough for their continued support.

Well done to all students who received 50 STARS for Semester one. They were all very spoilt and got to share a yummy morning tea with Mr Keel and Miss Stewart. We are so proud of all of our students. You help to create a school that is warm and inviting and at all times display positive behaviours!

CONGRATULATIONS TO OUR SCHOOL CAPTAINS FOR TERM 3

Here are some of our students in front of the wonderful scarecrow that we created for Rich Glen Olive Farm. We were lucky to win the competition and receive a cheque for \$500.00 dollars. A huge thankyou to Ros who supplied our students on the day with a lovely warm hot chocolate and the teachers with a well deserved coffee!

Here is a wonderful snap of our Year 4 Bike Hike that took place Friday June 19th. All students participated in this wonderful excursion and we had so many parents keen to ride with us and support our students.
