Year 9-12 Pinniger Street Campus

As the College transitions to a Bring Your Own Laptop program, there has been some confusion as to which students qualify for the BYOL option. Please read through the following points to help us run a smooth transition to the BYOL Program.

- Only students NEW to the 9-12 campus in 2016 are able to bring their own device.
- Families that entered a Rental Agreement with the College for a fixed term on the College Managed Program, need to continue on the payment plan for their device.
- Provision has been made for Year 12 students who finish their Rental Agreement payment plan to transition to BYOL in 2016.
- There are also some students who entered the College in 2015 that are also BYOL.

A table and diagram are included overleaf to assist in understanding the complexity of the 1-1 eLearning Program.

Please contact the College 9-12 Campus Office on (03) 5744 1751 if you need any clarification, or you have specific queries regarding laptop payments.

*College Managed Laptop Program beginning in Year 9 2015 will be a three-year rental program. Students enrolled for Year 12 in 2018 will be expected to BYOL. Only students who have not engaged in the College Managed Program can BYOL.

**BYOL program for Year 12 in 2016 available for students wishing transition out of the College Managed Program. Families must be fully paid up for the four years of their agreement, including insurance. The Lenovo X131e laptop needs to be returned to school to have the original software restored. The device will then be made available for pick-up.
