### **PREP ENROLMENTS 2018**

Last week we held our 2018 Prep Information Sessions. We held a session at 10.00am and an evening session at 7.00pm. Both sessions were well attended and all up we had approximately 75 families through the doors. We have had some wonderful feedback about these sessions and how informative they were. Well done to our prep team and all our P-4 campus staff who attended. If you could not make it on the night or know of anyone with a prep child starting in 2018 please make contact with the P-4 campus to find out what we offer.

How quickly the year is going by and here we are at the end of semester one 2017. We want to thank all our parent community for all of your support throughout this semester. A school is made up of many components and it does not function without all components working together. Parents are one of the biggest factors in the success of schools and we value each and every one of you. Please continue to have a presence within our school and always touch base with teachers or office staff if you have anything you would like to discuss. We would also like to thank our wonderful teachers, office staff and support staff for the work they have put in this semester and the fantastic programs and help they have offered our students.

We also want to thank our students who have had fantastic semester of learning. They have participated in a range of different programs within the College and have represented themselves and our school community brilliantly. We look forward to a successful semester two with exciting things on our agenda! Have a safe and happy holiday.

### **PARENT COMMUNITY INVITED TO A NIGHT OUT AT THE MOVIES!**

Our fantastic Parents and Friends committee have come up with a brilliant idea for our parent community. We want you to have a night off as we all know how busy life is and at times we do not get the time to do things for ourselves!

Well this is your chance.

Grab a friend and come and spend a wonderful night at the movies.

## Community NAIDOC Celebration

On Wednesday 28th of June, the Year 2 students and Ms Mitchell's 34A class were involved in the community NAIDOC Celebration Day held outside Yarrowonga Hospital. This was an important event for our students to attend as it helps us to further understand our local Indigenous culture. The students thoroughly enjoyed the dance group, listening to the guest speakers and learning how to respect each other.

## SEMESTER ONE REPORTS

Just a reminder to parents that our semester one reports will be available on-line this year.

You should have all received a letter regarding our new parent portal.

This letter has a unique family password that will allow you access to your child's portal.

Once you log in you will be able to access your child's report.

The parent portal allows you to track your child's academic progress and you can even add in your child's absences if you know they are going to be away.

We are all still learning about the parent portal and we will keep you all posted on any new features that parents can access.

If you are unable to log in or view your child's report please make contact with the school and we would be more than happy to print a copy out for you.

We understand that not everyone has access to the Internet or a printer so please do not hesitate to contact us if this is the case.

If you have any queries about your child's report please make an appointment to meet with your child's teacher.
