Hello Everyone

It has been lovely to see and hear so many of our staff and students saying hello to people all round our school community. The smiles on students and staff faces are infectious. Keep being a kind person and people will want to be kind back to you!

We have a busy few weeks coming up, so please make sure you check what's on at the P-4 Campus. Checking your child's Blue folder for notes will make sure your child doesn't miss out on anything exciting.

The relationship you have with your child's teacher is paramount to their success at school. Parent Teacher Interview are coming up and notes will be going home about this in the next week. Please keep an eye out for this. It would be lovely to see all parents take the time to come and speak to your child's teacher about their education.

SMILES ON SITE DENTAL PROGRAM

Our school will be visited in Week 7 and 8 by the Smiles On Site Dental van. Forms have been sent home and it has been great to see so many being returned. This program is offering EVERY student a FREE dental examination and they get to take home with them a bag of goodies including a toothbrush and toothpaste. If you haven't already, please complete and return the forms as this is a fantastic opportunity for your child to get their teeth checked.

The Prep team had an amazing experience at the Teddy Bear Hospital last Friday. We had trained Doctors, Nurses, Paramedics & even an ambulance in our school. The students had the opportunity to walk through the ambulance. For morning tea we had a lovely teddy bear picnic in the sunshine. As we had such a wonderful experience, we wrote a recount about the day and made bear masks. It was truly a fabulous day with our teddys!
