– 2.30pm Dismissal

October 10th – 12
Year 4 Camp

October 19th – 20th
Year 3 Camp

October 13th
School Readiness Program begins

Hello Everyone

I can't believe it is already the end of Week 7. This term is flying by. We had the CFA Fire Truck here Tuesday and the Year 2's, 3's and 4's were lucky enough to enjoy this wonderful opportunity to learn about Fire Safety. Our Father's Day Stall was on Wednesday and I hope your child purchased a gift for their Dad or special person in their lives. The Dental Van arrives by the end of next week and will be positioned behind the Office building. This is a fabulous service that nearly all families have indicated their children will visit. Thanks to everyone for supporting this free service. Parent Teacher Interviews are being held over the following weeks. A separate note has gone home with the details on how to log in and select a day and time to meet with your child's teacher. It is important that you make this a priority as it is a great time to touch base and see how your child is going both academically and socially at school. If you are having concerns with logging in, please contact our Office. Over the past few weeks the students have completed both Big Writes and Cold Writes as part of our VCOP Writing Program. When notes about this come home with your child, please encourage and support them to be part of their Big Write. Discuss the notes that are brought home as this will help your child create ideas to write about and ease any concerns they may have about this. Our Library will be closed for the remainder of the year due to the relocating of portables and teachers moving classrooms. If you have any books at home, please send them into the library so they can be returned and then packed up. We thank you for your understanding during this busy time.

No act of kindness is ever wasted!

IMPORTANT INFORMATION

Hallways and Corridors

We are asking that **ALL** parents please **wait outside the buildings** in the morning and afternoon when either dropping off or collecting your child. As of week 10, we will have an extra 3 classes in the prep- 2 building and too many parents in these areas adds to the congestion and noise level in these areas. It is distracting for the students when they are packing their bags at the end of the day.

Year 3 NAPLAN

Parents of Year 3 students should have received their child's NAPLAN report. If you have not, can you please contact the school. Please remember that this test is just a snapshot of your child's learning on one particular day earlier this year.

Esmart week

Next week, the whole school will be participating in eSmart activities. Attached to the Friday Flyer is a mobile phone agreement that you can discuss with your child. Cybersafety and use of technology are very important and should be discussed with your children.

BOOK WEEK

Just a reminder that this year we are celebrating Book Week with a Theme day on **September 14th**. The theme this year is – **Escape to Everywhere**. It is time to start thinking about what your child can dress up as for our annual Book Week Parade. More details will be distributed closer to the date but put this on your calendar now!

YEAR 3/4A

Each 3/4 grade have been learning about Cybersafety. The students now have a greater understanding of the importance of having a secure password and keeping our private information safe. 3/4A have published anti bullying posters containing important information about saying no to cyber-bullying!

Donating Football Gear

For our PPL project at Yarrawonga College P-12, we are donating football gear to an Indigenous Community in the Northern Territory. Boxes have been placed around Yarrawonga College 5-12 for people to donate football gear. Boxes can also be found at the Rennie Football Club, Mulwala Football Club and Tungamah Football Club. Please bring your used football to the P-4 Office if you cant get to one of the boxes. Your help would be greatly appreciated!

Thank you

Tanner, Josh and Zach- Year 9 YCP-12

Casual Clothes Day

For our PPL project at Yarrawonga College P-12, we are hosting a fundraising day through a casual clothes day from prep to Year 12 on 8th September. Money raised will be used to purchase toys and games to create hampers to donate to the Royal Children's Hospital Cancer patients.

Thank you. Hayley and Zali.

Unexplained Absences

Over the coming weeks parents with children that have unexplained absences will receive a letter in the mail asking for the absences to be explained. Government schools have a responsibility to report to the Department of Education regarding all student absences and the mail-out of unexplained absence letters is one method we employ to meet our legal requirements. Please take the time to complete the letter if you receive one. The general office can be contacted on 57443104 if your child is absent and their absence reason will be recorded.
