

ONLINE RESOURCES TO SUPPORT HOME LEARNING:

Websites suitable for Year 5/6 students:

	https://www.getepic.com/	Epic is a digital library, with over 40,000 books. Students can choose books based on topics, reading level, age or genre. Audio books and 'read to me' books are also available. Teachers will send a code so students can access their virtual classroom. Parents will need to create a free account.
	https://login.mathletics.com/	Students use this site at school and have their own login. Teachers have set lessons that students can complete.
	https://www.abcya.com/	A range of literacy and numeracy games. Students choose their year level from Pre-Prep to Year 6+
	https://classroommagazines.scholastic.com/support/learnathome.html	Scholastic is offering free subscriptions. Every day includes four separate learning experiences, each built around an engaging and meaningful story or video. Just choose the correct year level and logon (Username: Learning20 Password: Clifford).
	https://storyboxlibrary.com.au/ Username: Yarrawonga Password: Stories80	High quality children's books read aloud by a range of engaging storytellers, many of them well known Australians.
	https://education.abc.net.au/	Watch BTN, play educational games or browse the range of online learning resources sorted by year level and subject.
	https://mysteryscience.com/school-closure-planning	Engaging science lessons for Prep – Year 5/6. 15-20 min lessons or 45-60 min lessons.
	https://www.kidsnews.com.au/	Kids News is suitable for children from Grade 3 to Year 8. Articles are levelled into Green (easiest), Orange and Red (hardest). Most articles have accompanying videos and activity ideas.
	http://www.pobble365.com/	Intriguing pictures that can be used as creative writing prompts. Each picture comes with questions, story starters and other related activities.
