

We are so EXCITED to be welcoming back all students in Prep, Grade 1 and Grade 2 on Tuesday!!! Your class teachers have missed you all greatly and are so looking forward to seeing how much you have grown and how you have managed your home learning! How lovely will it be to see all of your friends and to reconnect with your classmates!

Although Grade 3 & 4 students need to continue with the remote learning program for two more weeks, we are counting down the days until you can also return to normal classes! In the meantime, your class Google Meets is such a fabulous way to keep in touch and to talk to your teachers and classmates! If you haven't logged in to Google Classroom or joined a meet yet, we encourage getting in touch with your teacher to get connected!

Parents, below are some of the most important things to know as we begin our staged return to on-site schooling:

- **Pupil Free Day on Monday** means no students on-site, no supervision program operating, and no remote learning for the day!
- When at school **students must bring a drink bottle, and enough lunch, fruit and snacks for the day** (no bubblers or canteen)
- Social distancing for adults and health directives mean **parents cannot come together in groups, or enter the school grounds** without calling the office and receiving approval.
- **Students should arrive at school and be picked up via the Woods Road Kiss & Drop where possible please.** Parents asked to remain in vehicles
- **Several staff members will be at the Kiss & Drop and the Gilmore Street entrance every morning in yellow vests.** Parents can direct their children to these familiar faces and they will be greeted, supported or even walked to their classroom as needed.
- **Staggered finish at end of day:** Preps (and older siblings) at 3pm, Year 1 (and older siblings) at 3:10pm, all remaining Year 2 students and bus travelers and on-site attenders at 3:15pm
- **Teachers and school staff will walk students out to meet parents at Kiss & Drop zone or front of school for pickup at the set times.**
