**Weekly
Catch Up**
27th August, 2020
Issue No. 23

Dear Parents and Friends of the P-4 Campus,

Today marks the end of Week 7, and only three more weeks left of the term. Although we are still awaiting clarity about whether students will return on site in Week 10 (Monday 15th September) our teachers are preparing a normal week's work for Week 9 and a bit of an alternative plan for Week 10 too, just in case we are still not able to return to face to face teaching.

All the necessary materials for Week 9 and for Week 10 will be available for collection on Friday 4th September, with pick up details being sent via Compass next week. Hopefully this will be the last Remote Learning Pack!! But if not, our teachers, parents, students and wider community will continue to manage these unique and challenging circumstances with determination and as much positivity and support possible!

Speaking of positivity, there has been such incredible response to our Google Classrooms and Google Meets. We are incredibly grateful to parents for their support in getting our students online and connected. It is just incredible to see how powerfully joyous, engaging and motivating the ability to 'Meet', see one another's faces and connect to peers and teachers has been – especially this second time around of Remote Learning.

There are many ways we can help get students connected if parents are having difficulties, so please contact your teacher or the office if you need any guidance or specific supports. We would just love to see ALL students be able to connect up and enjoy the Google Meets in particular!

Even our youngest students – the Preps – have been able to connect online this past week in really big numbers!! Overwhelmingly the parents and students involved have reported just how incredibly positive the experience has been! Mrs Rae shared this photo of some of her students 'Meet'-ing together!

*Enjoy the warmer
weather this weekend!!*

Kind Regard, Mrs Thorp

WEEK 7 VIRTUAL ASSEMBLY!!!**

Thanks to those who entered our
"Who's a Master Lego Builder?"
competition. As you can see from the
photos below, they were all so great we
couldn't choose a clear winner so each
entrant will receive a prize in their home
learning pack next week!

We hope you like our funky looks in
today's assembly!
This week we'd love you to send photos
that will make us all laugh and smile!
Wear a costume, funny face, funky hat
or flashy wig!

Email your photos to Mrs Thorp
(kellie.thorp@yarrowonga.vic.edu.au)
or your teachers by next Thursday!

National Health and Physical Education day - Wednesday 2nd September.

Tennis Victoria (www.tennis.com.au) are excited to share with you their PE lesson created to celebrate National Health and PE (NHPE) day and help get students active and involved. They have put together a video of fun tennis activities that can be done at home. The video can be found at <https://youtu.be/u7GhHqYUaLM>

Tennis Australia is also excited to announce a partnership with School Sport Victoria to deliver Virtual Tennis.

Virtual Tennis will run from the 31st of August for 3 weeks and SSV will provide a selection of HomeCourtTennis videos for students to watch and replicate. 2020 Australian Open player towels will be awarded as prizes for students who get involved from both a participation and performance perspective.

No tennis equipment – No worries. HomeCourtTennis is about using what you have at home to play tennis. Think about fry pans for racquets and socks for balls!

Students (with family permission and support) are encouraged film themselves, upload their videos to the SSV website and have the opportunity to win a great prize!. Further information will be available shortly at www.ssv.vic.edu.au and look out for their posts on social media.

Mrs Willet's PE program included tennis in Term 1, and she hopes to continue this next term!

All the best wishes to these students, celebrating a birthday this coming week!
