

Instrumental Music Program

Yarrawonga College P-12 offers a comprehensive Instrumental Music Program for students in years 7-12. Students interested in learning a musical instrument may do so in this program. Students learn on an individual and small group basis and also have the option of joining a performing group. The College currently employs a number of instrumental music teachers to cater for this popular program.

Students who learn instruments in the Rock Music Program can learn Rhythm, Lead and Bass Guitar, Keyboard, Vocal and Drums. School instruments are available for lessons as well as practice at school. Students can also learn the woodwind and brass instruments of Flute, Clarinet, Saxophone, Trumpet or Trombone. Instruments are available for hire from the school or a music retailer. Details are available from the Music Co-ordinator.

Lessons for all instruments are provided in small groups and students are withdrawn from class on a rotational basis, so as not to miss the same class each week.

Fees for Junior Instrumental Music (7-9) will be \$160, and Senior (10-12) \$200 for the year. (**Fees must be paid at-least in per-term instalments to maintain a place in the program**). This covers the cost of tuition, instruments, repairs and music.

DON'T MISS OUT! This program is extremely popular. Places are limited and it is more difficult to join after the program has begun. To avoid disappointment, you may fill in the EXPRESSION OF INTEREST FORM below and return it to the Office as soon as possible.

Please contact Mr Tim Phillips (Music Coordinator) on 5744 1751 or if you require any further information.
